Dear Carol;

1/23/1980

I Will leave Reno February 4, 80 - for the Dismas house. I have to stay there until April 10, 80.

I probably stop by the old mans, before I go there. Then I would like for you to leave at his place my Watch, Billfold, and My Shoes - If you get them - at his time. this way I can pick them up at his place. I get into St. Louis around 1 o'clock on Monday. Will call Reno. also forget about Income tax forms. Will get when in St. Louis.

I haven't heard anything on the writ against the parole Board yet. the Judge is still sitting on it. I Wrote to Egg yesterday. I have never answer Weisberg, as of yet. Will write to Reno [redacted] Sometime over the Weekend. they got so many parole Violators on here for D.W.I, traffic Violations, they don't have room for the Child Molesters [redacted] out of 9 persons in my Dormatory 5 of them for Traffic offense.

Well Carol

Jack

P.S. 30 years ago on the above date I got Married in Indiana.
